Principal's Message

It gives me immense pleasure to pen a few words as message for this year's prospectus. Paschim Guwahati Mahavidyalaya is 44 years old this year. We are on the way to celebrate our golden jubilee in the year 2028. We have reached this stage after these long years of hard work, integrity, dedication of our faculty members, students, office staff, stakeholders of the society, the college Governing Body when we can boast of accreditation by NAAC for the third cycle. We have evolved and reached this stage in a gradual upward curve towards excellence from C++ to B and from B to B+ which is indeed a positive signal of our gradual evolvement.

Pachim Guwahati Mahavidyalaya is situated as its name implies in the western part of the capital city of Guwahati, Resplendent with a sylvan picturesque ambience and the mighty Brahmaputra located in its backyard it is a 'temple of Knowledge' that caters to the educational needs of the populace of greater west Guwahati area and its vicinity. The pristine surroundings of the college are fortified by the presence of the famous 'Deepar Beel' (a bird Sanctuary one of the Ramsar sites of N.E. India), an annual haven to hundreds of migratory birds.

Our College has thrived to excel not only in academics but in serving diverse and variegated issues of the society of which it is only a part. As we all know that from this year onwards the NEP (New Education policy is going to be executed, there will be a practical change in the education system of our country. We, as a part of the education system are keeping our fingers crossed for this revolution to be brought about by the Government. Let's hope for the best.

I take this opportunity to welcome all the new students to our college right from class 11th to the P.G. level. The College authority will always try to give our students an environment for their wholesome development. With these few words, I once again welcome you all to Paschim Guwahati Mahavidyalaya.

Dr. Rana Sarmah

A BRIEF HISTORY :

Located in the western fringe of the fast-expanding Guwahati city, Paschim Guwahati Mahavidyalaya was established on 5th September, 1978. In its 44 years of existence till date, the college has been continuously scaling new heights, crossing notable milestones in its academic and co-curricular activities. Situated beside the Deepar Beel, the college has a lush green environment which is a sight to behold. Thanks to the foresight and immense social commitment of founder-Principal Late Bipin Chandra Baruah along with a group of like-minded individuals, this institute of higher learning was set up with the noble mission of developing precious human resource. From a humble beginning with a single Assam-type house, the college has grown into a multi-storeyed complex, along with fisheries and a grove of medicinal plants. This growth of physical infrastructure has come as a natural corollary to the primary focus of the college in building up a social capital, by training its students to excel in academic pursuits and other diverse fields. Many of them have brought laurels to the college by succeeding in the State and National level events.

Paschim Guwahati Mahavidyalaya today is a full-fledged degree college imparting Higher Education in Arts and Commerce, along with a plethora of courses under IDOL (Institute of Distance and Open Learning of Gauhati University), KKHSOU (Krishna Kanta Handique State Open University), Beautification course etc. The Arts stream of the college had been brought under the deficit-grant-in-aid system by the Assam Government in the year 1996 and provincialised in the year 2005. Teaching posts of the commerce stream have been provincialised as per the Assam Venture Educational Institution (Provincialisation of Service) Act, 2011 and amended in 2012 with respect to degree colleges of Assam. Paschim Guwahati Mahavidyalaya has been accredited by NAAC in 2004, 2015 and 2022 and it had been registered under 2 (F) and 12 (B) of the UGC Act, 1956 in February, 2005. The College is permanently affiliated to Gauhati University. For the first time in its history the college could achieve another milestone in the teaching-learning process by introducing post-graduate course in Political Science and Assamese from 2020-21 session and BCA from 2022-23 session under Gauhati University. The College also regularly serves as a venue for different examinations on Sundays. This year Paschim Guwahati Mahavidyalaya has been reaccredited by NAAC and the College has been able to achieve B+ grade from C++ and B Grades in the years 2004 and 2015.

AIMS AND OBJECTIVES :

1. To ensure accessibility to higher education for local youths as well as North-east region of India.
2. To develop awareness among the youths regarding the current social, political, economic and environmental problems
3. To educate, upgrade and instill a sense of culture among youths, helping them to adopt and adapt to the changing trends of the present
4. To encourage participation of youths in sports and games, as a healthy mind resides in a healthy body
5. To generate an awareness of the basic concepts enshrined in the Constitution of India like National Intergration and Secularism, a humanistic approach towards life and a scientific temper
6. To build up awareness among youths of the rich heritage of India with its art, culture and tradition and strive for its preservation

THE COLLEGE CAMPUS :

The college campus extends over 15 bighas of land, bordered by primary school and higher secondary school on one side. The lush green environment of open fields on the other sides, creates a healthy environment proper for an institution of higher learning.

The campus includes an Assam type block along with a three-storeyed RCC building connecting two blocks at a right angle housing the Principal's office, Teachers' common rooms of Arts and Commerce departments, Committee room, classrooms, library, laboratories, students' common room and two well equipped conference rooms and an indoor sports complex. There is also a two storied Women's hostel in the college campus and the total seat capacity has been increased to 70.

The canteen is in a separate Assam type house within the college campus. Well-maintained gardens along with shade-giving trees create a suitable ambience. The two fisheries of the college covering areas of 1.5 bigha, and 4 Kathas, enhance the scenic beauty of the campus. Newly constructed Conference Hall at 1st floor on

Bipin Chandra Baruah library has been completed. Sufficient space has been kept aside for parking vehicles.

The newly built Bipin Chandra Baruah Library Building has been completed and fully digitalised.

LOCATION OF THE COLLEGE

Paschim Guwahati Mahavidyalaya is situated at Dharapur Chariali, adjoining National Highway No. 37 on the way to Lokpriya Gopinath Bordoloi International Airport. Northeast India's only Ramsar site and world famous bird sanctuary 'Deepar Beel' is nearby, while Gauhati University is approximately 4 kms away from the college.

Regulation of TDC CBCS Course for Semester System of G.U.

1. General Considerations :
 - i) Under Graduate (UG) Courses

Pass mark : 30% for individual theory paper and 40% for individual practical paper.

Simple pass : 30% marks in aggregate, i.e. minimum CGPA of 4.00.

Major in UG : 40% marks in aggregate in major subjects, i.e. minimum CGPA of 5.00.

First class for UG Major : 60% marks in aggregate. i.e. minimum CGPA of 7.00.

The subjects which do not possess practical papers, their total tutorial classes should be such that they equal the total practical plus tutorial classes of subjects having practical in all the undergraduate (UG) course. These should be balanced.

2. TDC shall be of Six Semesters covering three Calendar Years. The Schedule for semester system shall be as shown below :

-
-
- (a) **Odd Semester** [First, Third and Fifth Semesters].
 - (b) **Even Semesters** [Second, Fourth and Sixth Semesters].
 - (c) **Semester break** : [Subject to GU / Govt. notification]
3. Student's performance should be monitored throughout the Semester by continuous assessment in the theory and practical course. Evaluation of the Students performance in each of the theory and practical paper will be based on the following :
- | | | | |
|---------------------|-------------|---|--------------------------------------|
| Internal Evaluation | : 20% marks | } | (Subjectwise as per CBCS regulation) |
| External Evaluation | : 80% marks | | |
4. 75% class attendance is mandatory.
 5. Internal Evaluation should be based on attendance performance, sessional examination, home assignments, seminars, and library work in each Semester.
 6. External Evaluation should be through a final examination at the end of the semester.
 7. The pass marks in each theory paper is 30% and that in each partical paper is 40%. (as per CBCS regulation for CBCS course)
 8. In each paper, students must secure pass marks in both the internal as well as the external evaluation separately.
 9. A student who could not appear or failed in any semester examination will be allowed to clear the same as follows :
 - a) First Semester.
 - b) Second Semester.
 - c) Third Semester.

}	(As per CBCS regulation and GU/Govt. notification)
---	--

 - d) Fourth Semester with regular Sixth Semester examination.
 - e) Fifth Semester with regular Fifth Semester examination of the next batch.
 - f) Sixth Semester with regular Sixth Semester examination of the next batch.

10. A student may be allowed to 'repeat any one of the theory papers in each of the First, Second, Third, Fourth, Fifth and Sixth semester for "betterment" of marks in one paper in each Semester provided the student secure less than 505 marks or grade point 5.0 in that paper in TDC.
11. No "repeat" / "betterment" shall be allowed in the practical examinations in any Semester.
12. A student must pass all his semester examinations, including "repeat" and "betterment" chances within five years from the date of admission to the first Semester course in TDC. A student will get a maximum of three chances to clear a particular Semester.
13. Since the Semester involve continuous assessment there would be no scope for a student to appear as a private candidate in any subject / course.

B.A. COURSE THREE YEAR CBCS PROGRAMME

Under the CBCS Programme designed by the UGC the students can access the liberty to choose from a wide range of courses and learn at their own pace. The entire assessment is graded on a credit system. The idea is to keep up-to-date with the development of higher education in India and abroad. The students may undertake as many credits as they can cope with (not repeating the courses if they fail in one/more courses). CBCS allows the students to choose inter-disciplinary, intra-disciplinary, skill oriented papers according to their needs, interests and aptitude. The UGC has recommended that it is desirable for all institutions of higher education in the country to move to CBCS and together with it implement a uniform grading system.

Nature and Nomenclature of Courses under CBCS, GU

As per the UGC's guidelines, the courses are categorized as Core course, Elective course or Ability Enhancement Courses :

- 4.1 Core Course : A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a regular undergraduate degree programme a student will have to take up 12 core courses, each again of 6

credits.

4.2 Elective Course : An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types :

4.2.1 Discipline Specific Elective Course : An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective course may also offer discipline related elective course that are inter-disciplinary in nature.

4.2.2 Generic Elective Course : A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student.

4.2.3 Dissertation/Project : Engaging students in a Project/Dissertation work, which requires knowledge application and problem solving is considered to be important in the learning process.

4.3 Ability Enhancement Courses : Ability Enhancement Courses which are to be taken up by students in an undergraduate degree program will be of two types.

4.3.1 Ability Enhancement Compulsory Course

4.3.2 Skill Enhancement Courses

4.3.3 To view a syllabus (CBCS and Non-CBCS)

4.3.4 You can directly view the syllabi at <http://web.gauhati.ac.in/syllabus>
