

### 2.2.1.

Doing efforts to develop human resources, the college has been providing special attention for slow and advanced learners. The college has been continuing the mentoring classes for giving proper guidance to go forward with proper direction in future life of the students. The students are assessed on the basis of their classroom performance, class tests, home assignments, viva, individual interactions along with their participation in different Extra Curricular activities in the college and outside.

#### **Strategies for slow learners:**

For unsuccessful students in exam, another chance to appear, personalized teaching, tutorial and additional classes, assessment of their progress, home assignment, parent –teachers meet, involvement in social and community activities have been given to the students.

**Strategies for advanced learners:** Additional and advanced reading materials, different motivational programmes, lectures by eminent personalities from different fields, students' seminars, quizzes etc. have been organized to encourage and motivate the advanced learners, Faculty members guiding the advanced learners particularly to write, prepare and present the research papers, different project reports following standard research methodology, organizes different interactive programmes with eminent personalities from required fields to inspire and motivate the advanced learners, encourages to use the e-learning accesses properly in their preparation of answers, Advanced learners are engaged to deliver lectures before faculties, students, audience.
