A BRIEF HISTORY:

Located in the western fringe of the fast-expanding Guwahati city, Paschim Guwahati Mahavidyalaya was established on 5th September, 1978. In its 46 years of existence till date, the college has been continuously scaling new heights, crossing notable milestones in its academic and co-curricular activities. Situated beside the Deepar Beel, the college has a lush green environment which is a sight to behold. Thanks to the foresight and immense social commitment of founder-Principal Late Bipin Chandra Baruah along with a group of like-minded individuals, this institute of higher learning was set up with the noble mission of developing precious human resource. From a humble beginning with a single Assam-type house, the college has grown into a multi-storeyed complex along with fisheries and a grove of medicinal plants. This growth of physical infrastructure has come as a natural corollary to the primary focus of the college in building up asocial capital, by training its students to excel in academic pursuits and other diverse fields. Many of them have brought laurels to the college by succeeding in the State and National level events.

Paschim Guwahati Mahavidyalaya today is a full-fledged degree college imparting Higher Education in Arts and Commerce, along with a plethora of courses under GUCDOE (Gauhati University Centre for Distance and Online Learning), KKHSOU (Krishna Kanta Handique State Open University) and other certificate courses etc. The Arts stream of the college had been brought under the deficit – grant – in – aid system by the Assam Government in the year 1996 and provincialized in the year 2005. Teaching posts of the commerce stream have been provincialized as per the Assam Venture Educational Institution (Provincialisation of Service) Act, 2011 and amended in 2012 with respect to degree colleges of Assam. Paschim Guwahati Mahavidyalaya has been accredited by NAAC in 2004, 2015 and 2022 and it had been registered under 2(F) and 12(B) of the UGC Act, 1956 in February, 2005. The College is permanently affiliated to Gauhati University. For the first time in its history the

college could achieve an other milestone in the teaching-learning process by introducing post-graduate course in Political Science and Assamese from 2020-21 session and BCA from 2022-23 session under Gauhati University. The College also regularly serves as a venue for different examinations on Sundays.
